Dear Mr. Bachly:

Thank you for your correspondence and the enclosed information regarding the Smilezone Foundation.

I appreciated having the opportunity to review the laudable work your foundation is performing. Your efforts to transform health care settings into welcoming spaces is heartening. It certainly sounds like you are bringing smiles to many children's faces.

While I appreciated your kind offer to participate in future grand opening events, I regret that my schedule is such that I am not able to make a commitment at present.

Once again, thank you for taking the time to write. I extend my best wishes for continued success with the Smilezone Foundation.

Sincerely,
