Dear Mr. Bachly,

It is my pleasure to share with you Mount Sinai Hospital Foundation of Toronto's 2014-2015 Donor Report. This year's report celebrates the many milestones that we have achieved together over the past year as we strive to deliver life-changing care fuelled by best-in-class research to the patients who visit our hospital every day.

As part of the new Sinai Health System, which brings together Mount Sinai Hospital, Bridgepoint Active Healthcare, home care provider Circle of Care, and the Lunenfeld-Tanenbaum Research Institute, we are better equipped than ever to offer seamless care for patients with complex and specialized care needs. And with the extraordinary support of our donor community, *the Campaign to Renew Sinai* — the largest campaign in our history — has surged past the halfway point toward our \$500 million fundraising goal.

None of these accomplishments would be possible without your commitment and generosity to Mount Sinai. We are grateful that you stand beside us on our journey to the future of healthcare.

Should you have any questions, if we have inadvertently made a mistake in your listing or should you wish to receive additional copies, please contact Jessica Veitch at 416-586-8203 ext. 6576 or jveitch@mtsinai.on.ca.

For your convenience, a copy of the report can also be found on our website at www.supportsinai.ca/publications.

Thank you for your continued support of Mount Sinai and Sinai Health System.

Yours sincerely,

Kevin Goldthorp
