ANNUAL CELEBRITY GOLF TOURNAMENT

July 16, 2018

It is our pleasure to welcome returning participants and newcomers to the Sixth Annual Smilezone Foundation Celebrity Golf Tournament. We are thrilled to have you join us for a day of golf at the beautiful Rattlesnake Point Golf Club. Your support, whether as a celebrity guest, golfer, sponsor, or volunteer, is truly appreciated. Our gratitude for your support cannot be expressed enough, so we simply say: THANK YOU!

It has truly been an incredible year for Smilezone Foundation. What started off as an idea to help local children in need has spread across communities small and large, because of our core belief that every child deserves to smile. Our mission is to transform hospital and health care spaces so they are comforting and fun for kids, helping to make their days a little brighter! We are proud to announce that we will have transformed over **200** Smilezones by the end of 2018.

Over the past year, our numbers have grown, and so has our knowledge and commitment to the charitable work we do. We could have never imagined the impact these Smilezones have made and continue to make on a daily basis. Hearing stories from the children, families, and clinicians we work with inspires our Smilezone story and keeps our passion for the Foundation's mission alive and thriving. With every new Smilezone project, our admiration for these individuals continues to grow, emphasizing that one's imagination is truly the limit when it comes to creativity with our Smilezones.

Over the past five years, the Annual Smilezone Celebrity Golf Tournament has raised over **\$1,000,000**, amounting in countless smiles on the faces of young children, siblings, and families across the province. As Smilezone continues to expand, we feel so grateful for the endless support we receive from all of our incredible donors here today. Once again, we have some fantastic contest hole prizes, live auction packages, and silent auction items. We are proud to announce our 2018 Smilezone Ambassador, **Brian Williams**, will be recognized during dinner this evening. We also want to thank **Ron MacLean** for joining us as Master of Ceremonies this year.

On behalf of our Golf Committee, our Board of Directors, and our partners, we thank you for participating in the Sixth Annual Smilezone Celebrity Golf Tournament. We hope you will continue to share our passion and vision of giving children and their families comforting, uplifting and fun spaces to enjoy together, no matter what health challenges they face.

Many thanks,

Scott Bachly

OUR 2018 SMILEZONE AMBASSADOR BRIAN WILLIAMS

Named to the Order of Canada in December 2011 for both his distinguished broadcasting career of more than 40 years and extensive community and volunteer work across the country, Brian Williams' respected broadcasting style has endeared him to millions of Canadians across the country. He has won praise from critics and numerous accolades, including eight Gemini Awards, two Foster Hewitt Awards, and one Canadian Screen Award.

Considered the dean of Olympic sports broadcasting in Canada, Williams reported on his first Olympic Games at the 1976 Summer Games in Montreal and has covered a total of 14 Olympic Games, as well as every high-profile sporting event around the globe. His resume includes work with the NHL, Major League Baseball, PGA TOUR, Canadian and World Figure Skating Championships, World Cup Skiing, men's and women's Rogers Cup events in Toronto and Montreal, Formula One, IRL, Breeders' Cup, Pan Am Games, and Commonwealth Games.

Williams anchored CTV's primetime Olympic coverage of both the London 2012 Olympic Games and the Vancouver 2010 Olympic Winter Games, playing a leading role in shaping and delivering the network's award-winning coverage. Williams was awarded the first-ever Canadian Screen Award for Best Sports Host or Analyst in

a Sports Program or Sportscast for his work on London 2012. In addition, Williams was awarded his second Outstanding Sports Broadcasting Award from Sports Media Canada for his work on the Vancouver 2010 Olympic Winter Games.

In addition to his work on the Olympic Games, Williams is heavily involved in CFL ON TSN broadcasts. He also hosts CTV and TSN's coverage of figure skating and horse racing, sharing with fans his vast knowledge of the biggest events in both sports.

Williams was inducted into the Canadian Football Hall of Fame Football Reporters Wing in honour of his contributions to the CFL over the years. Additionally, at the 100th Grey Cup in Toronto in 2012, Williams was recognized with the Commissioner's Award for his contributions to the game for the past 40+ years.

Williams is currently on the Governors' Council at North York General Hospital in Toronto and is a former member of the hospital's Board of Directors. He is a lifetime member of the Board of Directors of the Ronald McDonald Children's Charities and member of the Board of Directors of the Tim Horton Children's Foundation. In 2011, he also received an honorary doctorate from Simon Fraser University in Burnaby, BC, and delivered the commencement address to its graduating class.

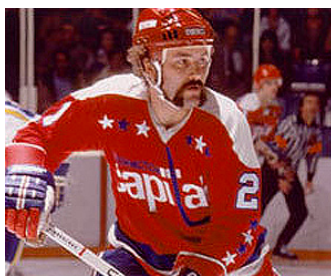

Born in Winnipeg, Williams began calling university basketball play-by-play in 1967. He started his professional career in radio with Toronto's CHUM. After a year at CFRB Radio in Toronto, Williams joined CBLT and remained with CBC until his move to CTV and TSN in June 2006.

The warmth of human connection

We are dedicated to helping seniors **live fully, every day.**

We believe that the fullness of life comes from the warmth of human connection. It comes from being surrounded by people who come when you call, who listen and understand, who help you to be your best. People who spend time and share your stories. Who get where you're coming from. Who become like family. Who care.

Let us know how can we can assist. We would be happy to.

TESTIMONIALS

Our Smilezone transformation is nothing short of spectacular! The area is brighter and more inviting than we ever dreamed it could be. The treatment rooms are so colourful, and the waiting room is much better laid out for space and activities - the children and parents just love them! An all around amazing transformation of a previously hospital-like space.

LINDSAY [Nurse Practitioner] Northeast Cancer Centre

Before the Smilezone renovation, my two-year-old daughter Ashlyn didn't engage with the toys in the Waiting Room and her dad and I had to chase her all over the building. Now with the new sensory wall and games, she wants to stay and play and enjoy!

RENEE [Smilezone Parent] Grandview Children's Centre

TESTIMONIALS

A Smilezone provides a warm and welcoming space for children who are going through difficult times. It is a safe place where kids can just be kids again, giving them a reason to smile when it is most needed!

ERIC LINDROS [Hockey Hall of Fame Inductee]

To give a kid a smile with a safe and happy space can be a pretty powerful medicine for a child and their family... Smilezone helps provide this!

TOM COCHRANE [Canadian Music Hall of Fame Inductee]
[Officer of the Order of Canada]

Many of the children who visit a Smilezone have been in and out of treatment their whole lives. Having the opportunity to visit fun, kid-friendly Zones in healthcare facilities can make a world of difference to these children and their families.
